INTRODUCTION AND AIMS

School uniform plays a valuable role in contributing to the ethos of the school and sets an appropriate tone. It instils pride, supports positive behaviour and discipline, and encourages identity with the school. Uniform can also be useful to protect children from social pressures to dress in a particular way.

At Southend High School for Girls we expect the highest standards of personal presentation and appearance at all times.

Students are expected to adhere to the uniform policy during the school day, and out of hours school events unless otherwise directed by the school.

Our students are ambassadors for the school and the impression our students give in the community is of the utmost importance. Wearing the SHSG uniform supports teaching and learning and gives students a sense of pride and belonging to a school with over 100 years of tradition. The uniform is part of our school ethos to be smart and professional, and in their child joining Southend High School for Girls parents agree to support our policy. This is clearly stated in the Home-School Agreement. All items of clothing must be clearly named.

UNIFORM CHECKING

All teaching staff and the Pastoral Support Officers are responsible for ensuring that students adhere to the uniform policy. Form Tutors will check every morning that the uniform of students in their tutor group uniform is correct. Teachers will check at the start of every lesson that students are wearing the correct uniform.
